Dear Parish Family,

Here at St. Louis the King we share a spirit of family that is a treasure. I am asking for your help in making our community even stronger. We are about to launch our Parish Directory project. Our parish is growing as we welcome new members each week. Please be a part of our new family photo directory so we can put names with faces.

We have chosen to partner with Lifetouch for professional photography that will connect our members and tell our parish story. I am excited and hope you all share my enthusiasm as we strengthen our ties to each other and our parish with the publication of our new parish photo directory.

INSTRUCTIONS FOR SCHEDULING LIFETOUCH PHOTOS

Our reserved time to schedule your family/personal portraits will be May 26 – 30th; and June 16-20th. Sign up slots are available. A family of seven (7) or more need to schedule two consecutive sessions. Multi generation groups should schedule 4 consecutive time slots. Each family that participates will receive a free 8 x 10 photo and copy of the parish directory. The registration process is simple and can be done either online or on-site after the weekend Masses.
