THE KING'S GARDEN PROJECT

We are discussing extending the parameters of our pumpkin patch to include a vegetable garden. All youth and families interested in planting, watering, and harvesting crops may contact Dustin to be added as a gardener.

VISITATIONS (FMCA, MSHS, WWHS, Home-schooling homes)

Will seek to guest teach in our elementary and middle school classes and also help out during lunch and recess. I am available as a parish resource to the teachers, staff and students and available to assist on the playgrounds, off-site fieldtrips, and retreats with both the elementary & middle school youth.

Once or twice a week, during lunch, I seek to visit Marquette Senior High or Westwood High, as well as other local public schools and family homes where our parish youth attend school.

In addition, I will also seek to be at the after school sports and extra curricular activities the youth are involved in.
